

**78. Annual Meeting of the
German Geophysical Society e.V. (DGG)**

jointly with the Austrian Geophysical Society (AGS)

12.-15. February 2018 in Leoben

Information for Exhibitors and Sponsors

Local organizers of the conference:

Montanuniversität Leoben

Information for Exhibitors and Sponsors

The 78th Annual Meeting of the German Geophysical Society e.V. (DGG) in cooperation with the Austrian Geophysical Society (AGS) will take place from 12th to 15th February 2018 in Leoben, Austria. It is organized by the Chair of Applied Geophysics (Montanuniversitaet Leoben).

We expect approximately 500 participants to come to this annual meeting, the largest gathering of geophysical experts from German-speaking countries. In particular, the conference presents a platform for young academics.

Among the meeting participants will be decision makers in charge of purchasing equipment, requesting geophysical services, and research funding. Therefore, the DGG Annual Meeting is an ideal opportunity to present your products and services and to meet clients and potential customers. In addition to the exhibition, the meeting offers several possibilities for direct sponsoring, which is an excellent option to advertise your company.

With your fee for booth space and your sponsoring, you strongly support the activities of the DGG and AGS. It also allows students to participate in the meeting at a reduced price.

Exhibition

The exhibition area is located in the foyer and the corridor of the first floor in the new part of the main university building in Leoben. Here, all centralized events, plenary lectures and sessions take place.

Booth spaces are available in either 5 m² or 10 m² size, and also larger on request. The price per 5 m² booth space includes the registration fee (incl. conference dinner) for one person and the booth itself with a table, chairs, power supply (230 V) as well as internet access (WiFi). Your participation will be listed on the conference website and in the conference proceedings.

In case you would like to have your company logo to appear on our homepage, or wish to have an advertisement printed in the conference booklet, please use the enclosed form ("Sponsoring") for booking. If larger booth space, extra poster walls, or other additional facilities are required, please contact the person responsible for the exhibition (see below).

The exhibition will open on Monday, 12th February at 5:30 p.m. with an Icebreaker. Before the opening, all exhibitors have the possibility for a short presentation directly after the opening session. It will close on Thursday. Additionally, there is the possibility for an outdoor presentation of geophysical equipment.

The deadline for the booth reservation is 8th December 2017.

The location of your booth depends on the time of registration, the booth space and the number of previous participations in the annual meetings of the DGG. It will be located by the organizing committee.

Sponsoring

To increase the visibility of your company or organization during the conference, we offer you three premium sponsoring-packages. Please contact the person in charge for the sponsoring before booking (see below). We would like to meet your requirements and arrange an individual sponsoring package for your needs! In 2018 there will be a conference booklet with information and program.

DGG Annual Conference 2018

Gold	Silber	Bronze
<ul style="list-style-type: none">- Booth space 10 m²- With table(s) and chair(s), poster wall, power supply and Wi-Fi- Logo on website and conference bag- Full page advertisement in conference booklet (color)- 2 tickets for the conference and conference evening- Sponsoring von 1 Kaffeepause, Firmen-Logos am Coffee-Point- Insert in conference bag- Sponsoring of the conference evening: Logo on the menu, reference during opening	<ul style="list-style-type: none">- Booth space 5 m²- With table(s) and chair(s), poster wall, power supply and Wi-Fi- Logo on website and conference bag- Full page advertisement in conference booklet (color)- 1 tickets for the conference and conference evening- Sponsoring of 2 coffee breaks, company-logos at the Coffee-Point- Insert in conference bag	<ul style="list-style-type: none">- No booth space- Logo on website and conference bag- Full page advertisement in conference booklet (b/w)- 1 tickets for the conference and conference evening- Sponsoring of 2 coffee breaks, company-logos at the Coffee-Point

Further possibilities for your advertisement:

- Inserts in the conference bag (flyer, pencils, etc.)
- Sponsoring of the student evening
- Sponsoring of the „Meet+Greet“ breakfast
- Travel support for students and young academics with own presentation
- Advertisement in the conference booklet
- Logo on the website
- Logo as presentation in the session rooms during the breaks

Job center

We will offer the opportunity for conversations with potential new employees.

Many participants of the conference are about to complete their university degrees and are looking for a job. Therefore, we would like to use this occasion to promote contacts between your company and potential candidates. To all exhibitors and sponsors we offer (free of charge):

- a bulletin board for job advertisements
- seminar rooms for conversation and interviews

If you are interested, please contact the organizer in charge of the job center: Cornelia Tauchner (cornelia.tauchner@unileoben.ac.at).
